### **DETAILED ACTION**

The following is an examiner's statement of reasons for allowance: the applicant's arguments in the brief and reply brief are noted. Applicant's arguments are found to be persuasive. Cystic fibrosis is not a disease of fibrous tissue. No art can be found on claim 1. The claims are neither anticipated nor rendered obvious by the art of record. Thus, the full scope of claim 1 is allowable and the case is passed to issue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael V. Meller whose telephone number is 571-272-0967. The examiner can normally be reached on Monday thru Thursday: 9:30am-6:00pm.
